P B No 17

2675 Mysore, Dated 12/7/1955

FROM

(Through the President)

Sir,

Subject General revision of assessment

Under section 75 of the Mysore City Municipalities Act, every part of the assessment list of the municipality will have to be revised once in four years As the last revision took place ~~will have to be~~ in the year 1952-53 the next revision will have to be given effect to from the year 1956-57 For this purpose the 50,000 houses in the City will have to be inspected and revision done So far this work was being attended to by the Revenue Officer of the municipality in addition to his other duties for which during the periods prior to 1953-54 a bonus was being paid to the staff A similar recommendation had been made in respect of the revision of 1952-53 and it has been pointed out that the payment of bonus was opposed to M & R Apart from this the work was getting spread over several months so that while the demand as per the revision assessment has to be booked at the beginning of the year this was being done throughout the year As a result there was not only much confusion but also unnecessary accumulation of arrears Thus this work of revision on the one hand throws a very big burden on the staff and on the other the work cannot be said to be as efficient as it should be

Furthermore, even under these circumstances during the year 1952-53 a sum of Rs 5564/- was spent towards revision work and in this office letter No C2 PR 31 C 57/55-56 dated 15-4-1955 a recommendati has been made to Government that a sum of Rs 1500/- may be sanctioned to the Revenue officer and the staff who were engaged in this work, as they richly deserve this extra remuneration

For these reasons a reference was made to the Corporation of the City of Bangalore to find out the staff that they had appointed during the last general revision of assessment A copy of the reply received is enclosed Based on this a proposal was put forward before the Managing committee for the appointment of the following staff

1) 3 Assessing officers of the status of First grade Chief officers in grade 150-10-200 plus D A 25 plus HA 50 ~~each~~ each to be loaned from the officer of the L S G Commissioner) 172 plus 25 plus 50 227x6x3 4086/-	4086-0-0
2) Leave and pension charges at 1/4 of 120x6	540-0-0
3) One Examiner on 60/- plus 20/-HA	480-0-0
4) 4 clerks on Rs 40/- plus 20/- each 60x4x6	1440-0-0
5) 4 peons on 18 plus 17 each 35x4x6	840-0-0
	7400-0-0

The Managing Committee recommended this proposal for approval of the Council who accepted the same at their adjourned meeting held on 6-7-1955 I herewith enclose a copy of the resolution of the Council and request that orders of Government may kindly be obtained early as the staff will have to be immediately appointed and they will have to complete
